Roots

A third function of roots is to store food for the plant and the animals (herbivores) that eat plants.

Can you think of some of the roots we eat?

The Widow's Oil Melodrama

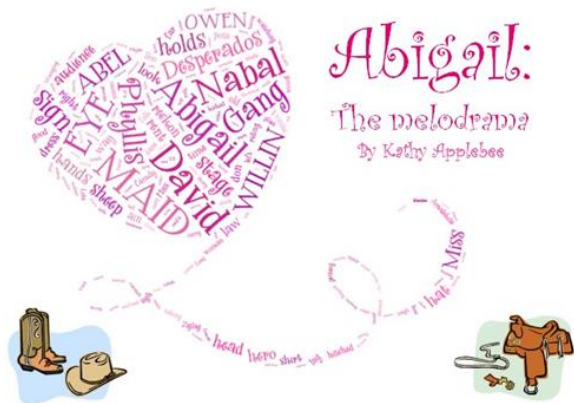

FREEBIE: **Ruth and Naomi** may be thrown out of the pitiful little hovel they call home if they can't pay the rent to villain Black Bartholomew. Run time approximately 35 minutes. 8 characters with non speaking assistant(s) to hold up cue cards for audience.

FREEBIE: **The Widow's Oil Melodrama** is based loosely on 2 Kings 4, this humorous melodrama has 6 speaking roles and room for non speaking extras as children and people at court. What will the poor widow Ann Teek do when all that is left for her family to live on is some cod liver oil? Will Robin DaPoor and his henchman, Noah Count prevail? Reader's theater version can be used as a radio show format or adapted to a full production. Run time approximately 20 minutes.

FREEBIE: loosely based on the Biblical account of **David and Abigail** with a wild wild west setting. Run time approximately 33 minutes. Flexible casting.

FREEBIE: a somewhat Melodramatic reader's theater version of the Old Testament book of **Esther** broken into 9 scenes. It has 21 roles with doubling possible.
