

# God's Marriage Plans

CHARACTERS: Two angels

COSTUMES: angelic or all white

PROPS: 3X5 card, paper

SET: None specified

*At rise: M is seated, working. G enters.*

G: Hi. I just was reassigned as a guardian angel and thought I'd drop by and see who God has in mind for my new human. *(Shows card)* This teenagers right here. She's offered herself as a living sacrifice to God. She has put the selection of her mate in God's hands and I want to know who God has picked out for her.

M: *(Showing a sheet of paper)* probably one of these.

G: There's like 200 names on that list. Can't you do a better job of narrowing it down to the right one?

M: No. People have free will. This one here at the top of the list would be absolutely fantastic. If. If he keeps his heart tuned to God. Right now he's a little distracted by the girls in music videos and that's rather poisoning his mind about the kind of girls he wants to date.

G: My girl can sing. You should hear her at church and in the shower.

M: It isn't the singing. Let's just say he's being swayed by the worldly influences of what is glamorous, not the godly influences.

G: So if he doesn't get his ideals in line with God's ideals, you're saying he might not even ask her out?

M: Yup. He'll miss out. God isn't going to make her wait forever. If it doesn't look like he'd be worthy of her after a while God will start going down the list. See this one?

G: Yeah.

M: He might be even better, but it depends on the choices he makes this year in school. Free will. God lets the humans make their own choices.

G: But if they read their Bible, pray, attend church, fully commit themselves to God then they will make the right choices.

M: You would think so. I mean, the odds are much greater that they will but free will gets in the way. David was a man after God's own heart and look at the trouble he got himself into.

G: You are right about that one.

M: Sometimes they even think they are wholly devoted to God. Remember Saul of Tarsus? He really thought he was doing God's will but he was way off course.

G: Yeah, he arrested all those believers. He never did get married, did he?

M: He didn't. So as much as I would like to help you out... I can't. As long as humans have free will they can thwart even the best heavenly plans.

G: Can I have a copy of that list? When I have some free time I think I may pay some of them a visit, give them a nudge in the right direction every now and then. In fact, I'm going to see about pulling the plug on a few music videos tonight.
