

# Man Dies

CHARACTERS: 2

PROPS: Pantomime or clipboard

COSTUMES: Street clothes

SETTING: Pearly Gates are implied

Man can be played by a male or female as can the angel.

At rise:

Man: (*Cheerfully knocking on door*) I'm ready to go to heaven.

Angel (*Opening door*) Not so fast. What's your name?

Man: John Doe

Angel: (*Thumbing through book*) Nope ... nope ... nope, (*Looking up*) no John Doe here.

Man: There must be some mistake

Angel (*Emphatically with authority*) We don't make mistakes up here.

Man: But...

Angel: (*Reading*) There was something wrong with your heart

Man: (*More confidently*) Now I know there's a mistake. I died in a boating accident not from a heart attack.

Angel: I guess you're not familiar with 1 Cor. 13. It's what was missing in your heart that was the problem.  
(*Puts arm around man and points and looks downward*) You're expected somewhere else.
