

The Wages of Sin

CHARACTERS: 2 adults or teens

PROPS: None

COSTUMES: Street clothes

SETTING: None specified

WOMAN: TGIF and payday!

FRIEND: I know. I am so thankful for that raise we got. What are you doing this weekend?

WOMAN: Road trip with shopping Saturday. How about you?

FRIEND: Not sure about Saturday yet but church on Sunday. How about going with me this week?

WOMAN: I know I said I would sometime and I do want to become a Christian ... but it's so restrictive. There are a lot of things I'd have to change in my life and drop some activities because they are classified as "sins".

FRIEND: Like what?

WOMAN: Sleeping in on Sunday, how I spend my money, who I date... lots of things. Mostly the fun things.

FRIEND: I'm a Christian and I still have fun.

WOMAN: Yeah, *(pause)* but I 'm not ready. I figure I'll just wait until later in life.

FRIEND: The Bible says the wages of sin is death. Don't wait til payday to decide.
